Subject: Mass Against HP

Hi Vice Mayor Devereux,

My name is Beth Huang, and I live at 122 Berkshire St in Cambridge (right next to Donnelly Field). I've lived in Cambridge since July 2016 and have really appreciated its leadership on so many issues - from immigrants' rights to climate justice. Thanks for your support on so many of these issues.

I strongly believe that we need to think globally and act locally, and it's one of the reasons why I work as a community organizer. I think we have a real opportunity to take a leadership role by ending our business with Hewlett-Packard on April 23. Especially with the terrible violence that's happening in Gaza and the role of HP in the deportation infrastructure that's being harnessed right here in Greater Boston, I hope that city council takes a stand and does the right thing next week.

I'll stop into your office hours later this week, and hope to speak with you about this issue. Thanks!

All the best,
Beth
